

# Q1 2020 RELEASE NOTES

# New Features

# Heat Map

- Perform candidate searches geographically in TargetRecruit with this new feature
- All of the candidates for a job or a keyword can be viewed on a color-coded map
- Recruiters can review the candidate profile by clicking on the icon and approve, reject or save it for later
- Color coding can be customized based on your requirements

Finding candidates just got easier with

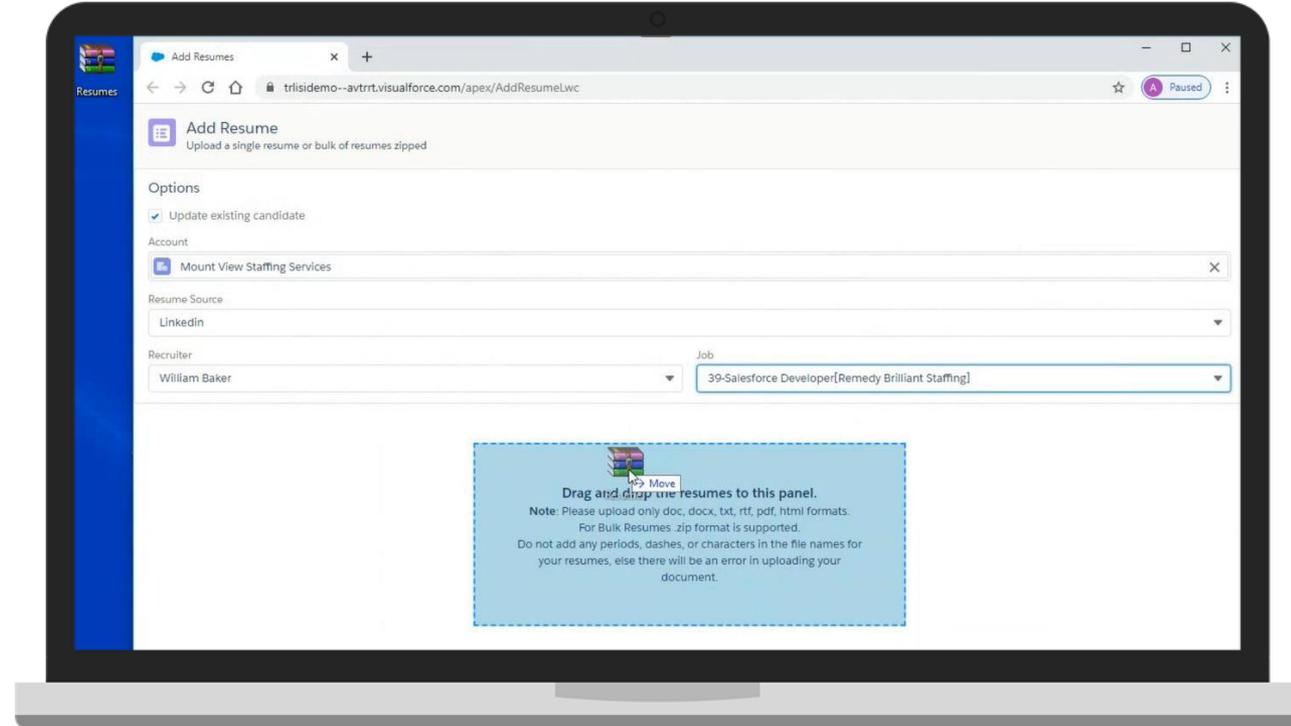

TargetRecruit.

# Drag and Drop Multiple Resumes

- Now drag and drop bulk resumes into TargetRecruit
- Resumes are uploaded and parsed to create candidate records in the system
- You can select an account, resume source, and job to create candidate records against them
- This is super useful when you want to create multiple applicants for a specific job

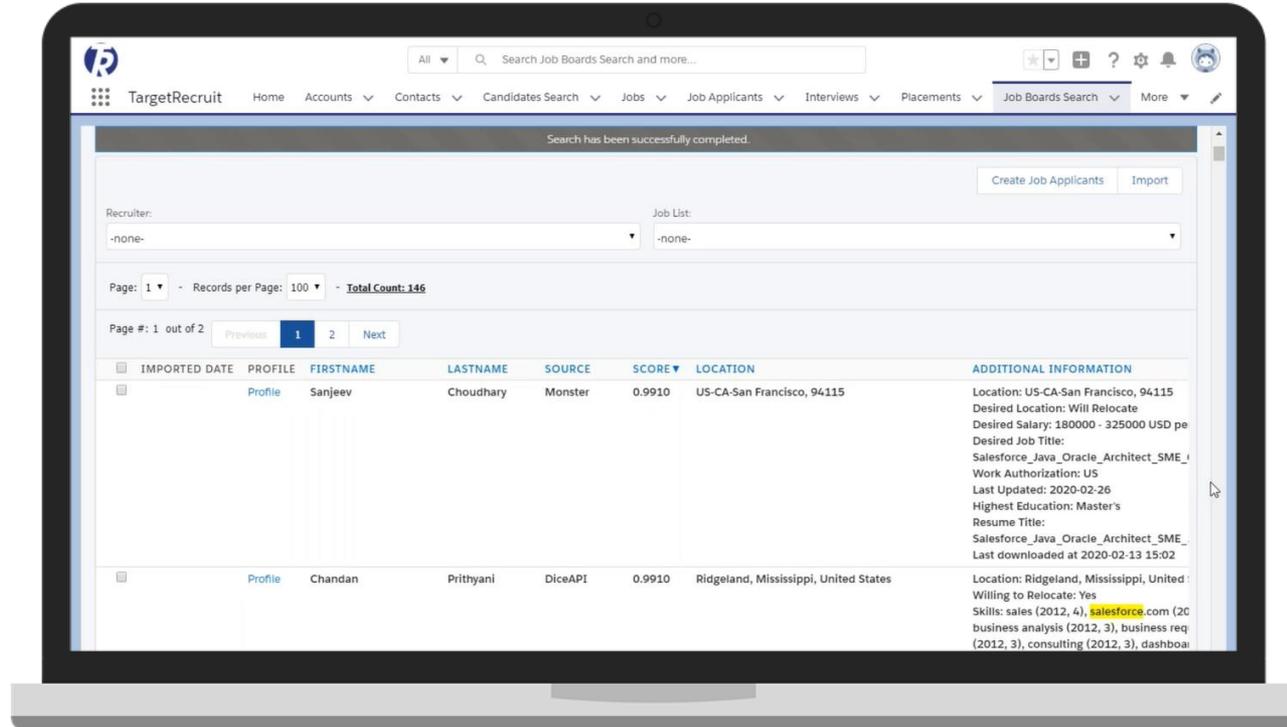

**Creating multiple candidate records will take almost no time.**

# Watchdog

- We have automated candidate search with our new Watchdog feature
- Set the job criteria, select the job boards and Watchdog will fetch all the matching candidate profiles for you overnight
- Identified candidate profiles are emailed into your inbox and added to the Target Recruit system automatically

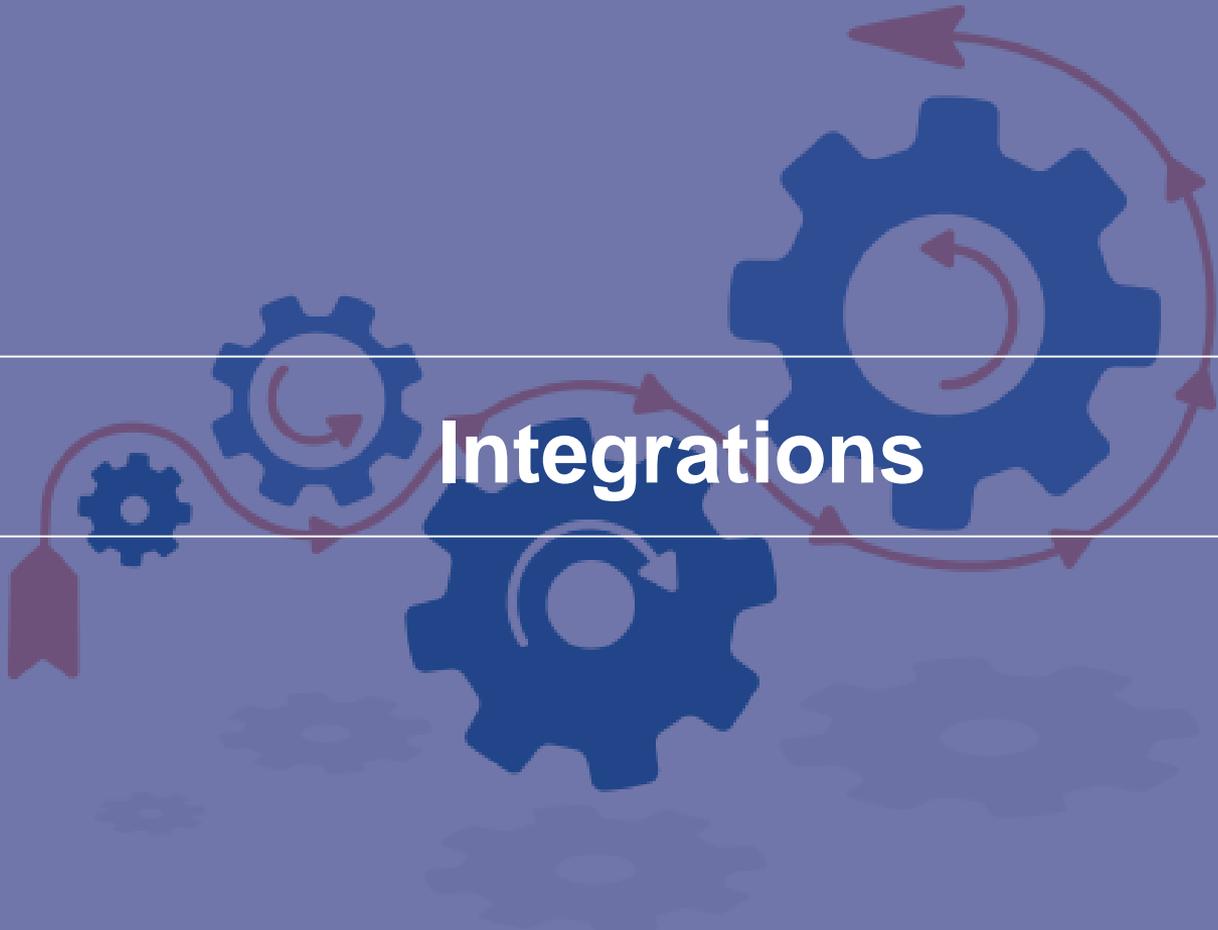

**Search for candidates while you sleep!**

# Lead Source Tracking

- Track the leads coming from different sources within TargetRecruit
- Lead sources are tracked against the “Source” object and it gets updated when leads come in
- You can track leads against sources like email campaigns, marketing campaigns, social Media etc.

# Resolved Issues

# Resolved Issues

- Fixed the issue with Credentials Master page: Documents uploaded in credential master for which document download check-box is ticked are now displaying in the portal page

The screenshot shows the 'Credentials' tab in a navigation menu. Below the menu, there are instructions: 'Please upload the document' with a 'Choose File' button and 'No file chosen' text. Below that, 'Please click on below link to Esign the document' with a 'Sign Here' link. Then, 'Please click on below documents to download for reference' with a red-bordered box around the text 'Docs.txt Credential files.txt'. At the bottom, there are input fields for 'Expiration Date:', 'Effective Date:', 'DEA Business Activity:', 'DEA FEE Status:', and 'DEA Schedule:'. A pagination bar at the bottom shows 'Displaying 1 Records out of 1' and a 'Save' button.

- Added pagination to the credential portal page: Users can now add more attachments on the Credentials portal page using the credentials button without any error

The screenshot shows the 'Credential Questions' page. At the top, there are navigation tabs: 'Job Opportunities', 'Update Profile', 'Application Status', 'Credentials', and 'Job Alerts'. Below the tabs, there are instructions: 'Please upload the document' with a 'Choose File' button and 'No file chosen' text. Below that, 'Please click on below link to Esign the document' with a 'Sign Here' link. Then, there are input fields for 'Expiration Date:', 'Effective Date:', 'DEA Business Activity:', 'DEA FEE Status:', and 'DEA Schedule:'. A pagination bar at the bottom shows 'Displaying 1 Records out of 1' and a 'Save' button. A red-bordered box highlights the pagination bar and the 'Save' button.
